

Glossary

ACofS — Assistant Chief of Staff	CA — civil affairs
ADC — area damage control	CC&S — collection, classification, and salvage
admin — administration	C-E — communications-electronics
ADP — automatic data processing	CEB — clothing exchange and bath
ADPC — automatic data processing center	cen — center
ADPE — automatic data processing equipment	CFSC — corps finance support center
ADPU — automatic data processing unit	CID — criminal investigation division
adrp — airdrop	CMO — civil-military operations
AFSC — area finance support center	cnf — confinement
AG — adjutant general	co — company
ALOC — air lines of communication	COA — Comptroller of the Army
AM/FM — amplitude modulated/frequency modulated	CofS — Chief of Staff
ammo — ammunition	cored — command
AO — area of operations	comdt — commandant
APOD — aerial port of debarkation	COMMZ — communications zone
APOE — aerial port of embarkation	compt — comptroller
AR — Army regulation	COMSEC — communications security
ASG — area support group	con — control
ASL — authorized stockage list	CONUS — Continental United States
ASP — ammunition supply point	convl — conventional
ATC — air traffic control	COSCOM — corps support command
ATMCT — air terminal movement control team	CRSC — calibration and repair support company
ATP — ammunition transfer point	CSA — corps storage area
AVCRAD — aviation classification repair activity depot	CSS — combat service support
AVIM — aviation intermediate maintenance	DA — Department of the Army
avn — aviation	DARCOM — United States Army Materiel Development and Readiness Command
AVUM — aviation unit maintenance	DAS3 — Decentralized Automated Service Support System
bde — brigade	DCSLOG — Deputy Chief of Staff for Logistics
bn — battalion	

DCSOPS — Deputy Chief of Staff for Operations and Plans

decon — decontamination

det — detachment

DFSC — Defense Fuel Supply Center

DLA — Defense Logistics Agency

DOD — Department of Defense

DOFS — days of supply

DS — direct support

DSS — direct support system

DSU — direct support unit

DX — direct exchange

EAC — echelons above corps

ENCOM — engineer command

EOD — explosive ordnance disposal

EODCC — explosive ordnance disposal control center

EPW — enemy prisoner of war

equip — equipment

ESCRG — escort guard

fac — facility

fig — figure

FM — field manual

GDP — general defense position

gd — guard

gp — group

GRREG — graves registration

GS — general support

GSU — general support unit

HHD — headquarters and headquarters detachment

HN — host nation

HNS — host nation support

HQ — headquarters

hv — heavy

info — information

instl — installation

intel — intelligence

intmed — intermediate

JCS — Joint Chiefs of Staff

JPO — Joint Petroleum Office

Idry — laundry

LOC — lines of communication

log — logistics

LRO — logistics readiness officer

It — light

maint — maintenance

mat — materiel

MCA — movement control agency

MCC — movement control center

MCT — movement control team

mdm — medium

MEDCOM — medical command

mil — military

MMC — materiel management center

MOA — memorandum of agreement	photo — photographic
MOGAS — motor gasoline	phys — physical
MOU — memorandum of understanding	pl — pipeline
MP — military police	PLL — prescribed load list
MPT — mobile pay team	plt — platoon
MRO — materiel release order	PM — provost marshal
msg — message	POD — port of debarkation
MSR — main supply route	POE — port of embarkation
MTMC — military traffic management command	POL — petroleum, oils, and lubricants
	POMCUS — pre-positioning of materiel configured to unit sets
NATO — North Atlantic Treaty Organization	proc — procurement
NBC — nuclear, biological, chemical	PSC — personnel service company
NCO — noncommissioned officer	PSYOP — psychological operations
NEO — noncombatant evacuation operations	PW — prisoner of war
NICP — national inventory control point	PWIC — prisoner of war/civilian internee information center
NMP — national maintenance point	PWRMS — pre-positioned war reserve materiel stocks
nuc — nuclear	
	QM — quartermaster
OCONUS — outside Continental United States	
ofc — office	RACO — rear area combat operations
op — operations/operating	RAOC — rear area operations center
OPSEC — operations security	RAP — rear area protection
ORF — operational readiness float	RC — Reserve component
	recon — reconnaissance
P&A — personnel and administration	reg — regulating
PAO — public affairs officer	renv — renovation
PDO — property disposal officer	rep — repair
pers — personnel	repl — replacement
PERSCOM — personnel command	RPMA — real property maintenance activity
petri — petroleum	RR/EO — race relations/equal opportunity

S&S — supply and service

scty — security

sec — section

SHORAD — short-range air defense

sig — signal

SOP — standing operating procedure

sp — special

SPO — security, plans, and operations

spt — support

STANAG — Standardization Agreement

sup — supply

svc — service

TA — theater army

TAACOM — theater army area command

TAM — transportation aircraft maintenance

TAMCA — theater army movement control agency

TAMMC — theater army materiel management center

TASG — theater army support group

TCC(A) — theater communications command (Army)

tcr — transceiver

TCS(A) — theater communications system (Army)

TCSB — third country support base

TDA — tables of distribution and allowances

tech — technical

tel — telephone

telecom — telecommunications

TFSC — theater finance support center

TM — technical manual

TMDE — test, measurement, and diagnostic equipment

tml — terminal

TO — theater of operations

TOE — table(s) of organization and equipment

TOW — tube-launched, optically tracked wire-guided missile

trans — transportation

TRANSCOM — transportation command

trk — truck

TSA — theater storage area

tt — teletypewriter

UCMJ — Uniform Code of Military Justice

US — United States

USACIDC — United States Army Criminal Investigation Command

USAF — United States Air Force

VIP — very important person

WHA — weapons holding area
